Re: Wilco ESOC – Letter of Recommendation

Dear Mr. Stewart:

It was a pleasure working with DEA Specialties on the Wilco ESOC Project. Procurement and delivery of materials was on schedule, and coordination was good throughout the project. When an issue arose, DEA was quick to address and resolve. Based on my experience with DEA on this project, I look forward to working with DEA in the future, and would recommend your firm to other entities seeking high standards in their construction projects.

Very truly yours,
VAUGHN CONSTRUCTION
