Dear Mr. Oliver,

I want to commend you and DEA Specialties Co., Ltd. for the outstanding job done on the Kronkosky Place project for The Rainbow Center.

Kronkosky Place was both a challenging and a successful project – one in which Koontz McCombs Construction, Ltd. is very proud to have done. The project's success would not have been possible without the professional approach and commitment to high standards of performance, quality and safety displayed by DEA Specialties Co., Ltd. and your fellow subcontractors and suppliers. I particularly want to acknowledge your hard work during the pre-construction phase which contributed greatly to making this project a reality.

Thank you for your efforts. I am very much looking forward to working together again.

Sincerely,

Henry M. Serry
Senior Vice President
