Spring Branch, Texas

Dear Peter,

On behalf of the Team at Leonard Contracting and Homes For Our Troops, I would like to extend a heartfelt "Thank You" for your contribution to the construction of the beautiful new home for the Josh Stein Family. It has been a truly amazing experience to witness the enthusiasm and generosity in which so many have given to this project. Without question, your participation has been important to the success of the project.

Construction is nearing completion and a "Key Ceremony" has been scheduled for Saturday, December 18, 2010 at 11:00am, to hand over the keys to Josh and his family. I encourage you, and those who participated in this project on your behalf, to be there for the ceremony and see the completed home. It will be a memorable day for Josh, his family and all those who helped build this home.

Homes For Our Troops is a non-profit organization building homes across the nation for soldiers seriously wounded in combat at no cost to the wounded warriors or their families. Your generous donation is tax deductible and we want to make sure you receive the tax benefit of that donation. If you need information or help about receiving the proper documentation from Homes For Our Troops, please call our office at (210)493.8303 for assistance.

Thank you again for your gracious participation in this project. I hope to see you there on Saturday, December 18<sup>th</sup>, at the "Key Ceremony".

Sincerely,  
LEONARD CONTRACTING, INC.

  
Michael J. Leonard,
