Re: 2010 ABC Excellence in Construction Award - Rackspace Hosting

Dear David,

Thank you for the great job done at Rackspace. Our project was selected for the South Texas Chapter ABC Excellence in Construction Award. A successful project takes the commitment of the entire project team so we should all get to enjoy this award.

Enclosed is a certificate from ABC for your participation. I look forward to more successful projects with your company.

Sincerely,
METROPOLITAN CONTRACTING COMPANY, LTD.
